

READ ME FILE

PAPER INFORMATION:

Paper: "The Criminal Justice Response to Policy Interventions: Evidence from Immigration Reform"

Authors: Sarah Bohn, Matthew Freedman, and Emily Owens

Journal: American Economic Review, Papers & Proceedings

Date: January 5, 2015

DATA FILES:

BohnFreedmanOwens_AER-PP_Data.dta

Contents: Contains crime and demographic data necessary to replicate Table 1, Table 2, and Figure 1 in the paper (see variable list below).

Sources: Bexar County Department of Information Technology (Arrest and Prosecutorial Acceptance Rate Data); 1990 Decennial Census (Demographic and Housing Data)

PROGRAM FILES:

BohnFreedmanOwens_AER-PP.do

Calls on BohnFreedmanOwens_AER-PP_Data.dta and runs regressions to generate results in Table 1, Table 2, and Figure 1 in the paper. To run program, place it and the dataset in the same directory. A log file will be created (BohnFreedmanOwens_AER-PP_Results.txt) that contains the regression results; a Stata .gph file will be created for the figure.

RESULTS FILES:

Running BohnFreedmanOwens_AER-PP.do generates two files: one text file and one Stata graph file:

BohnFreedmanOwens_AER-PP_Results.txt

Presents summary statistics and regression results for Tables 1 and 2 in the paper.

BohnFreedmanOwens_AER-PP_Figure1.gph

Creates Figure 1 from the paper.

DATASET CONTENTS:

Contains data from BohnFreedmanOwens_AER-PP_Data.dta
